Docket No. 98N-1265 '99 APR 30 10:12
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used a compounded medication for more than
a year and have been pleased with my results and overall health.

I object to any changes that would limit my access to these
prescriptions.
